Please discuss the following questions in a one page statement:

- What SPUD programs or other service/social justice programs have you been involved with at Holy Cross? (please indicate the dates in which you were involved in these programs and any leadership positions that you held)
- How has your involvement in these programs shaped your desire to serve as an intern for SPUD?
- Have you taken any courses or participated in any opportunities for spiritual growth that have given rise to intellectual inquiry or moral reflection concerning your relationship with those who are in some way marginalized in our world? Please explain.
- What goals would you like to set for SPUD for next year?
- The internship positions require a significant time commitment. Please list any other time commitments that you expect for next year and how much time you anticipate they will take.

Please give us the name of the two people who will be submitting recommendations for you. They should be people who can speak about your commitment to community service and/or social justice.
