

To whom it may concern,

Thank you for accepting our invitation to the **First Annual Worcester Multicultural Organization Conference**. We are very excited to see you and hear you ideas and thoughts on the state of multicultural affairs in Central Massachusetts, the country, and the world. As the world continuously grows smaller, the ability for people to communicate effectively their ideas from their unique view becomes increasingly important. We have high hopes that this conference will be one of the building blocks for a more diverse, more colorful, and much more peaceful future.

On the following page is a final R.S.V.P. which will need to be accompanied by your attendance fee. We are asking that groups limit their attendance to three (3) persons due to our limited space. The fee for attendance is \$10 per organization. This fee will be used towards covering the costs of a continental breakfast, lunch, informational packets, conference space, and a constant resource throughout the year in establishing a communications database with the goal of making communication and collaboration in the Worcester Consortium that much easier.

September 14th is fast approaching and with classes just beginning we realize this will be a hectic time for all, but please respond by Wednesday, September 10th, with your attendance roster and conference fee.

Thank you so much for your interest and support,

Isaac Tesfay, co-chair

Matt Pieraldi, co-chair
