"The Pilot's Wife" by Anita Shreve

**By Randy Ford**

**Crusader Features Staff**

"The Pilot's Wife" has been a best-seller in the past, and the novel continues to draw the attention of book worms everywhere. This Oprah Winfrey Book Club pick has won rave reviews from top newspapers and esteemed authors alike, inoder perspec-"The Pilot's Wife" focuses on a central question that has recently become very much alive due to the Sept. 11 tragedies, how does one truly know the people closest to him or her? Kathryn Lyons opens her door at 3:24 a.m. on a bitterly cold morning to discover that the plane her husband Jack was piloting crashed into the depths of the Atlantic Ocean, killing all people on board. When the plane's cockpit voice recorder is recovered, Kathryn is deeply dis-"Sophomore Lauren Adamo took more of a neutral view of the educational differences: "I think that private school is no better or no worse than public schools. Your education is what you make of it."
