#### Legend:

Window Shade

Whiteboard

Fiat Screen Monitor

Projection Screen

Ceiling Mounted Projector

Quad Floor Power Receptacle

Floor AV and Data Receptacles

Lectern tethered to AV, Data & Power in Wall

Lectern, see section 3

FC Faculty Chair, see section 3

SC Student Chair, see section 3

ST Student Table, see section 3

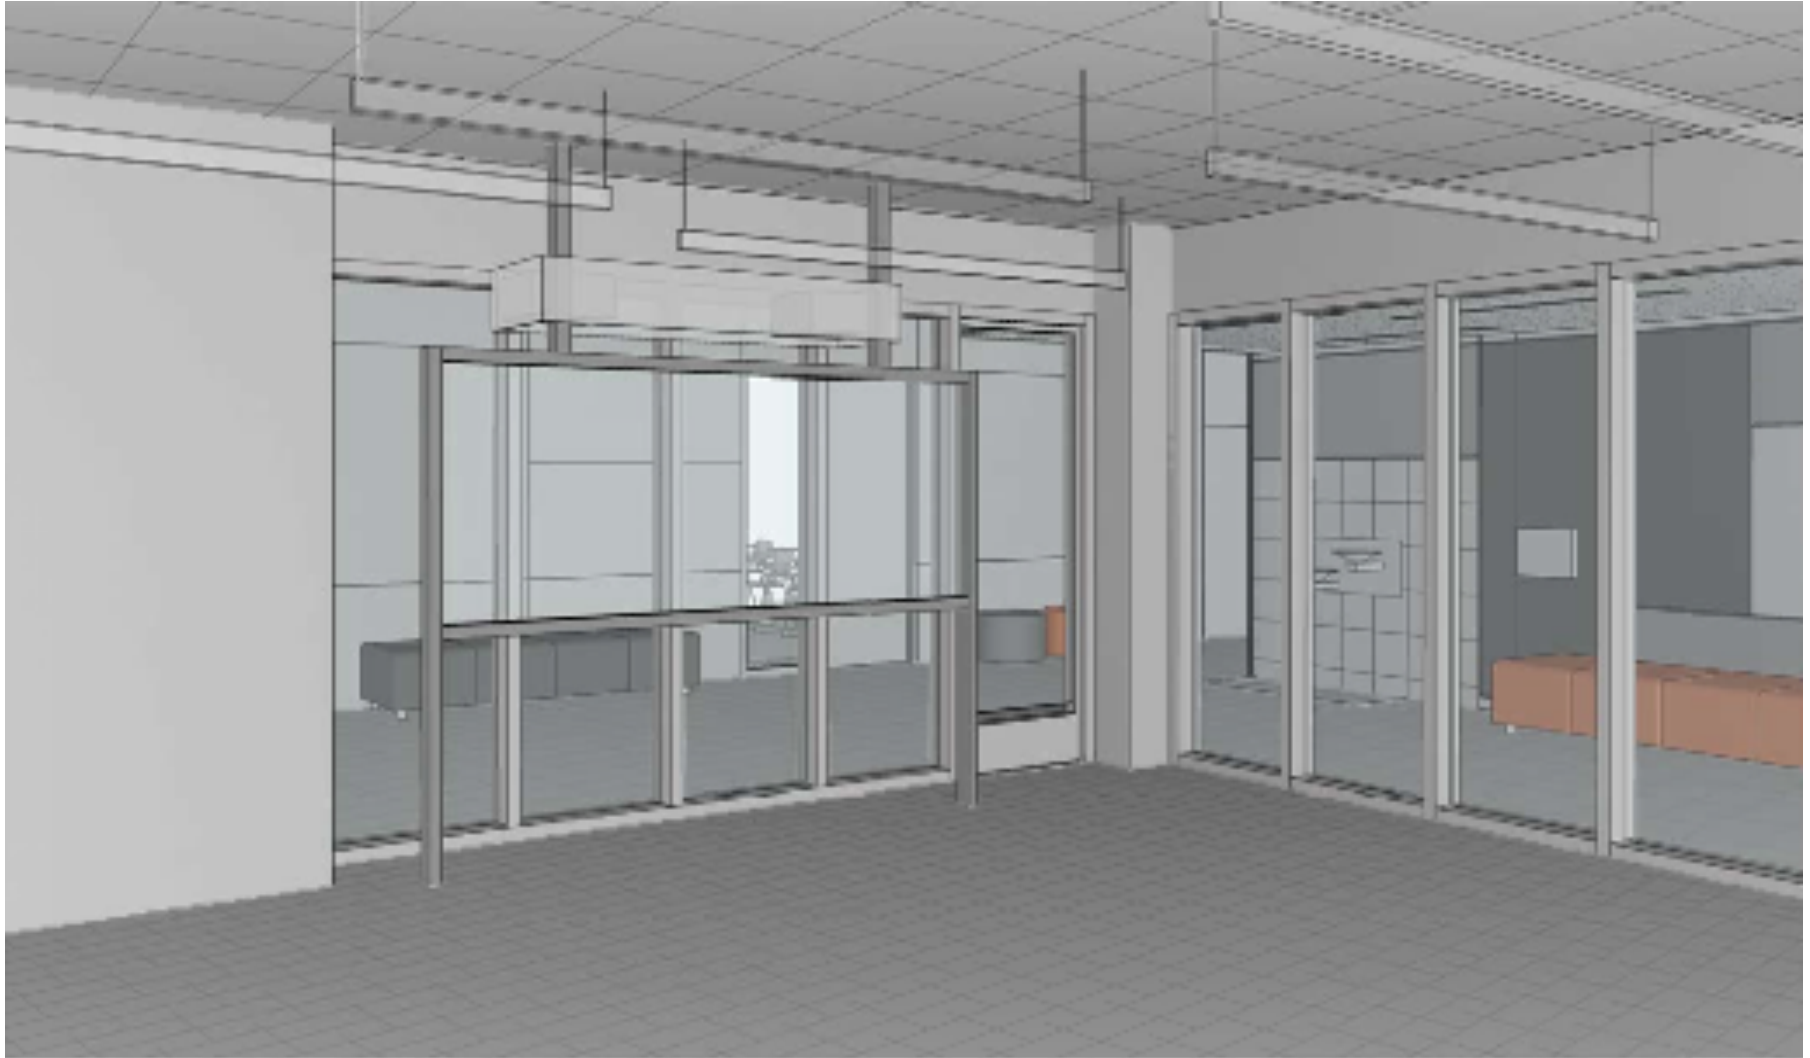

#### Considerations:

- **CAPACITY 24 [20-28 requested]**
- Horseshoe | Lecture | Discussion
- $\pm 36"$  of Circulation about perimeter
- The second projection is a priority

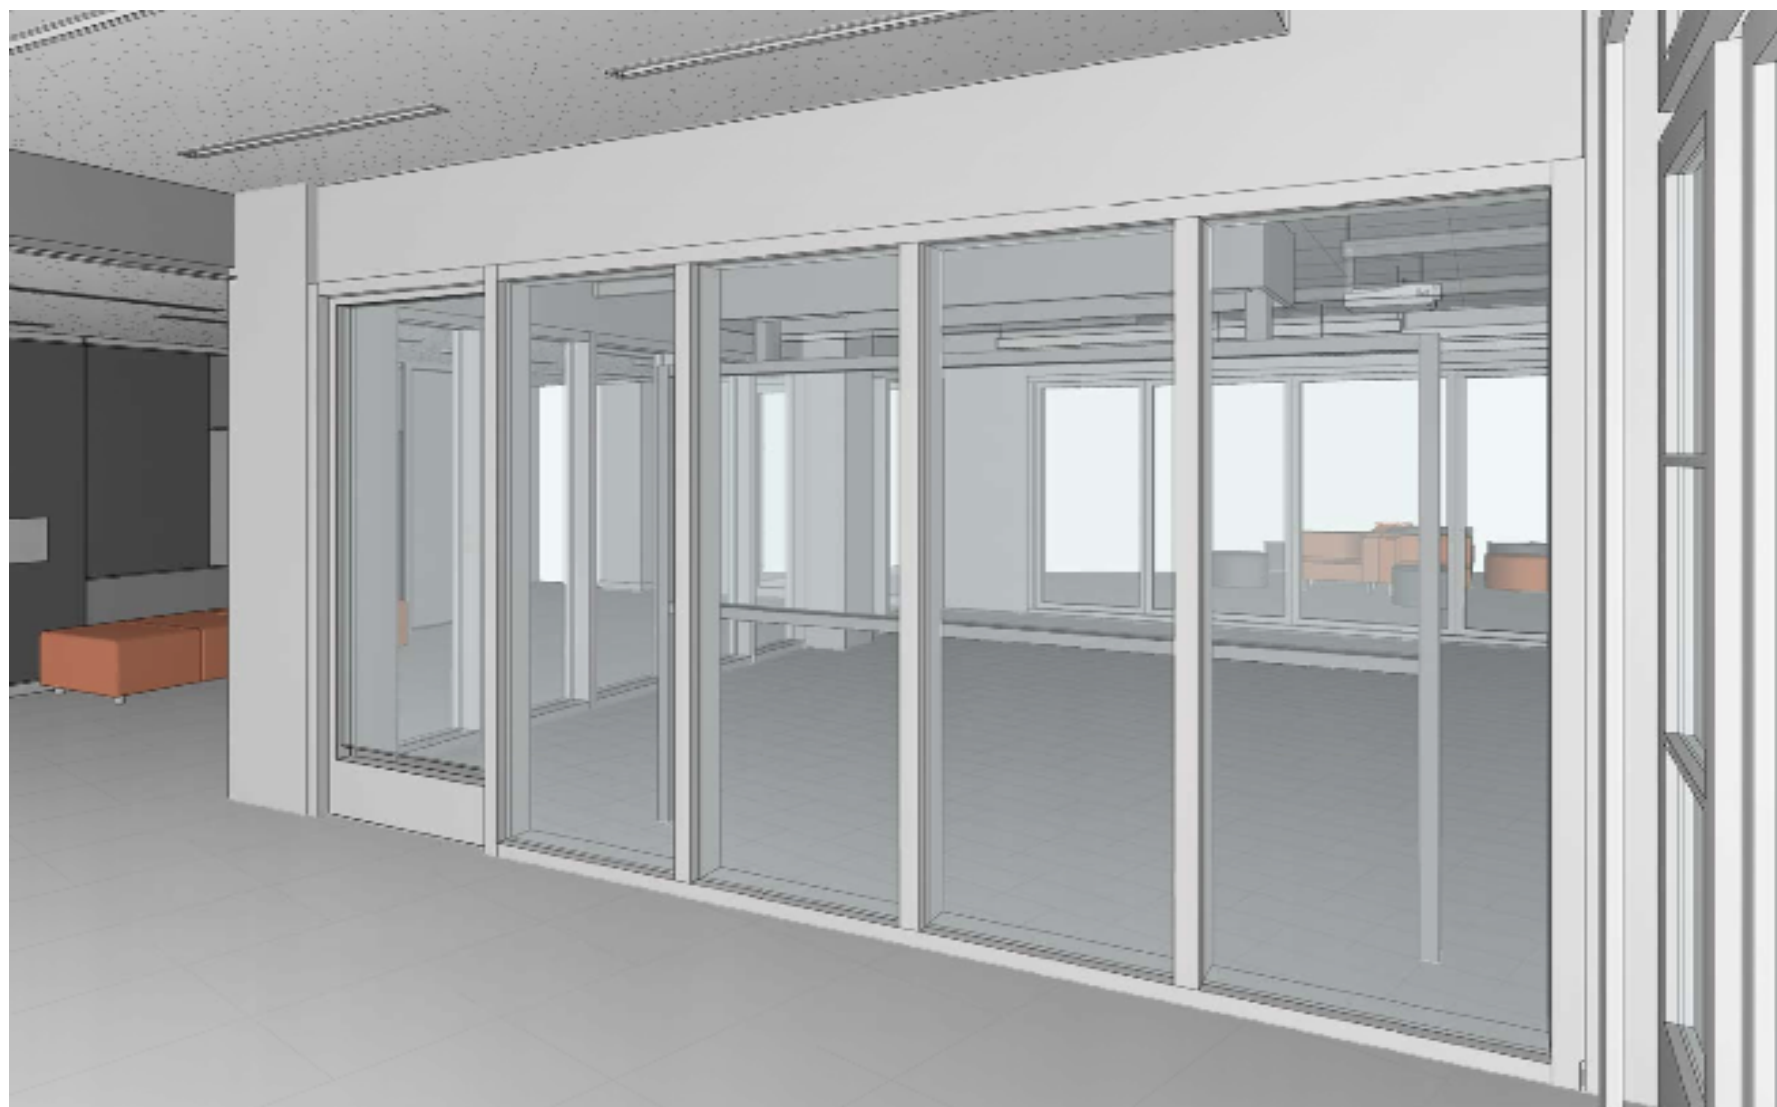

# THE VARELAS INNOVATION LAB

# THE VARELAS INNOVATION LAB

# THE PERILS

managing expectations  
solves all problems  
meets all needs  
late-comers to the party  
IR  
faculty participation  
scope creep/change

# THE POSSIBILITIES

innovative teaching & learning

learning spaces palette(s)

tech infrastructure

collaborations / relationships

expanded opportunities for professional staff
