After reading about variety of pet owners in China and China's pet economics, let's change roles. You are a pet in China. Please share with your classmate and teacher your lifestyle using PPT slides of visuals and your presentation. Please share with use the following:

- What are some important values and significance of having you in the home?
- How are you treated at home by your pet owner?
- What does your daily routine entail? (spas, parks, etc.)

You are encouraged to use authentic materials. Please use the information you gathered from the Pre-Summative Assessment Exercise. Limit your presentation to around 2 minutes. You may not use notecards, but you can have keywords on the PPT slides.
